Dixie Spirit Is Contagious

As you exposed yourself to Dixie, you began to notice certain symptoms of a delightful disease. The symptoms were heard, felt and seen in the bubbling joy of victory, in the tears shed in defeat. It was the Dixie Spirit that provided the powerful drive to achieve yet the ability to be

fair in all things. It was heard ringing in the halls and cheering at the games. It was seen all over campus in the smiling faces of students. DIXIE SPIRIT is that which helped you make the best even better. It's that special feeling deep inside of you.

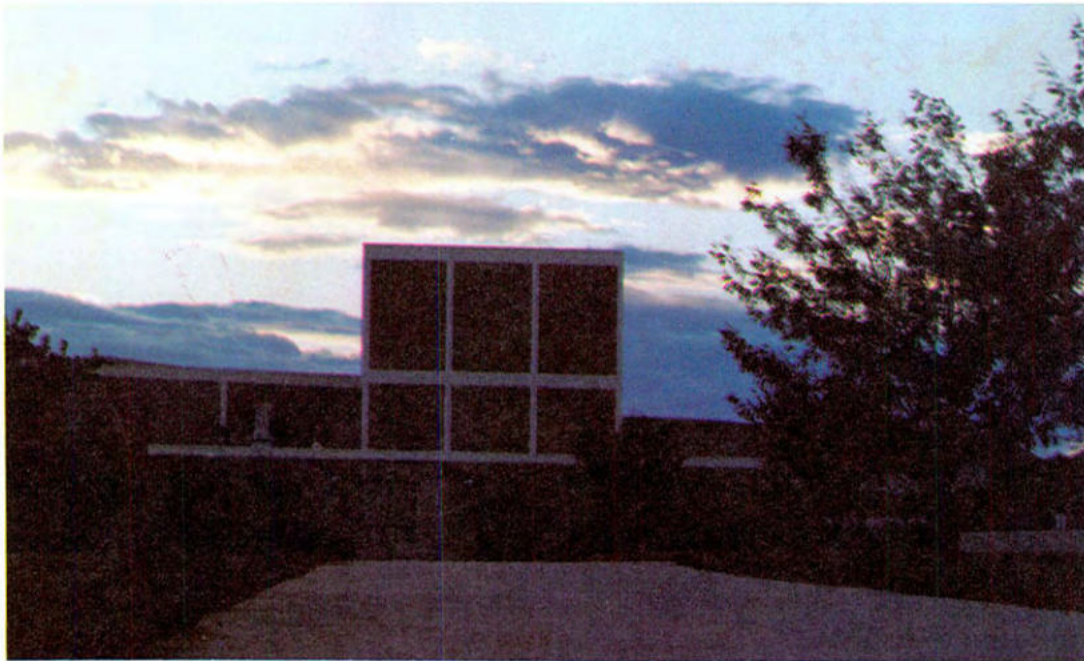

Just For Now

We get sentimental whenever we hear the school songs of Dixie, or meet with the old gang, we start reminiscing of days that are past and wonder why such happy times cannot last: But the hour is growing late; It's time for us to part. Strange how swiftly the moments take flight. Friends and sweethearts must soon say 'Goodnight,' Just for now — Just for now — We've sung the last refrain, the echoes softly die, like the

school days
when we had
such fun. We'll
remember them
though they are
done, Just for
now — Just for
now —

We've sung the
last refrain, the
echoes softly die,

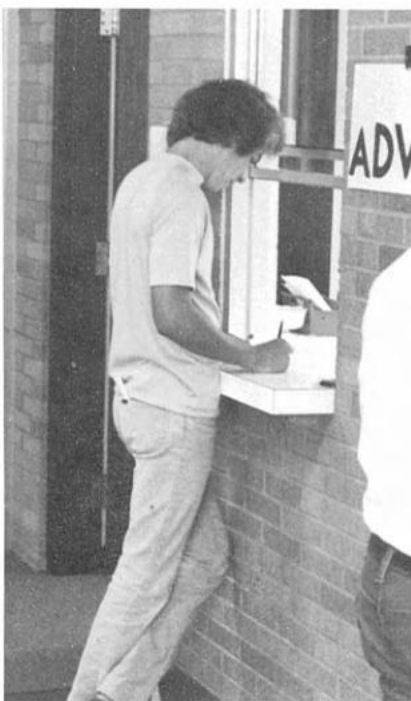

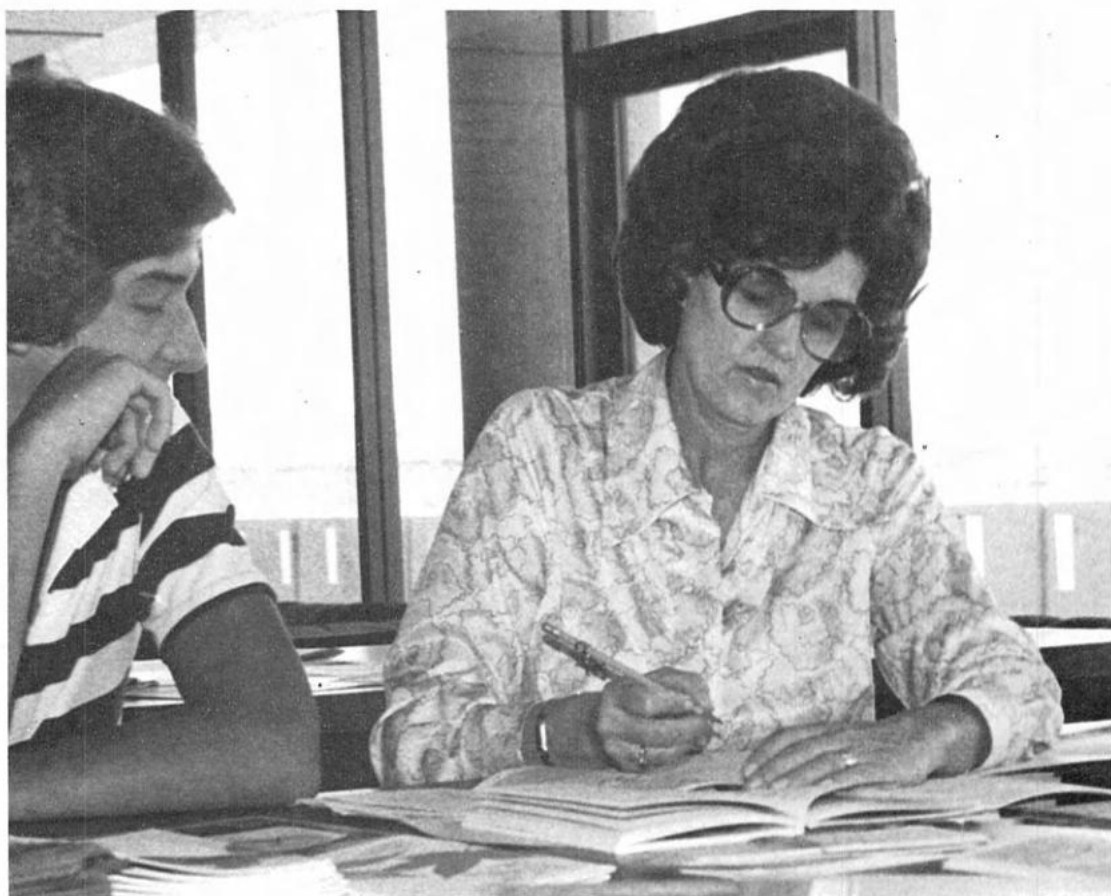

like the school days when we had such fun. We'll remember them though they are done. Just for now — Just for now — See the clock in the church tower, Its lights have grown dim. The moon o'er the campus is faded and thin, and so the years will pass, Our friends will come and go, and that's why we hate saying 'adieu' to the ones who are so tried and true — But we must — Though it's just for now.

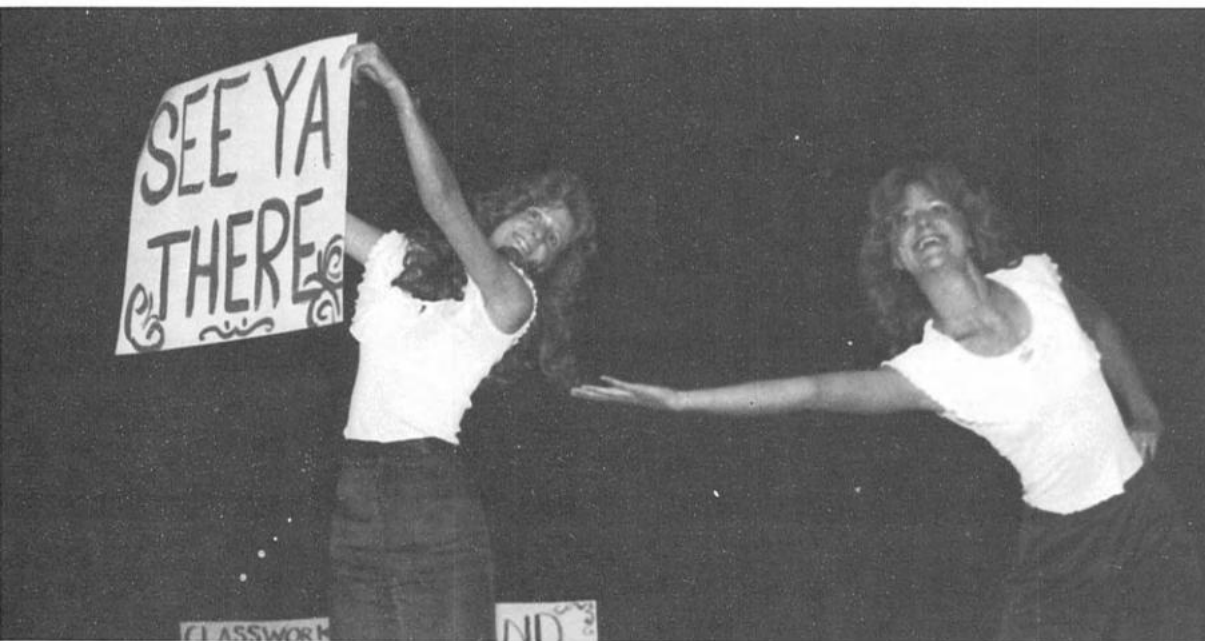

Welcome Week

What a way to kick off a great year. Activities for an entire week were planned by the Executive Council, ranging from movies to hikes, to relays and dances. The traditional events welcomed returning students and helped new students get familiar with the DIXIE SPIRIT. Throughout the week the goal of making

friends was accomplished by nearly everyone. Registration and the beginning of classwork also added to the Welcome of Welcome Week, "78".

*Getting
Readjusted*

The Welcome Assembly Registration, Hospitality tours of the campus, Sandblast, checking out books and the day at Zion were some of the things that kept Dixie Students busy during Welcome Week 78.

Zion And Snow Canyon!

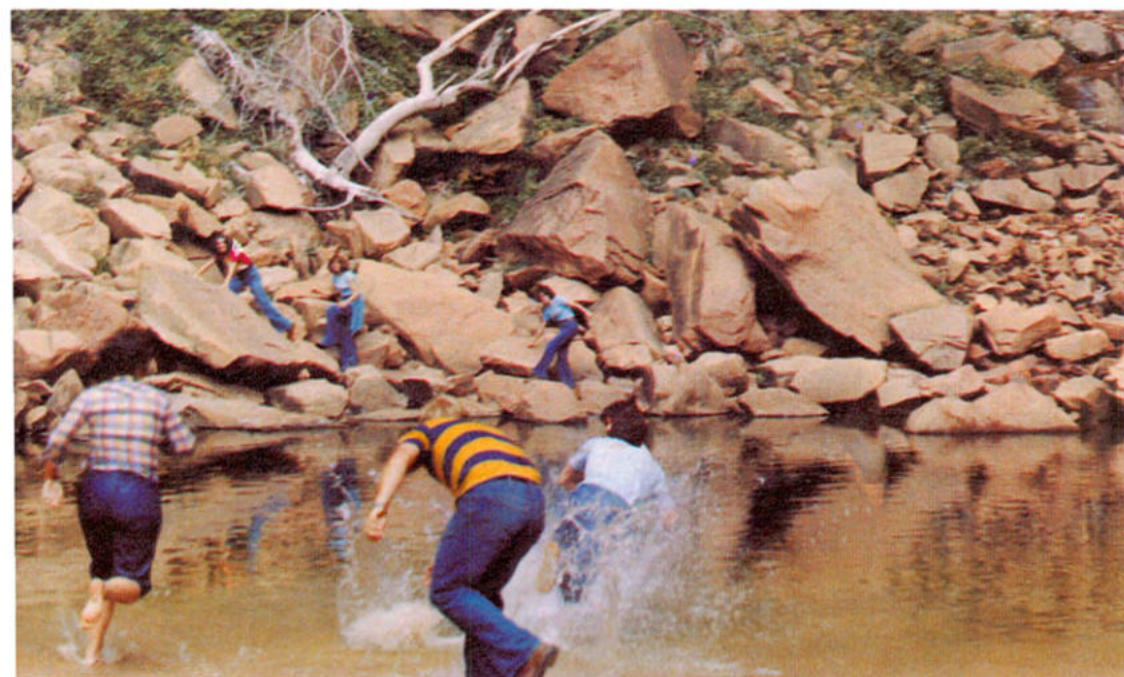

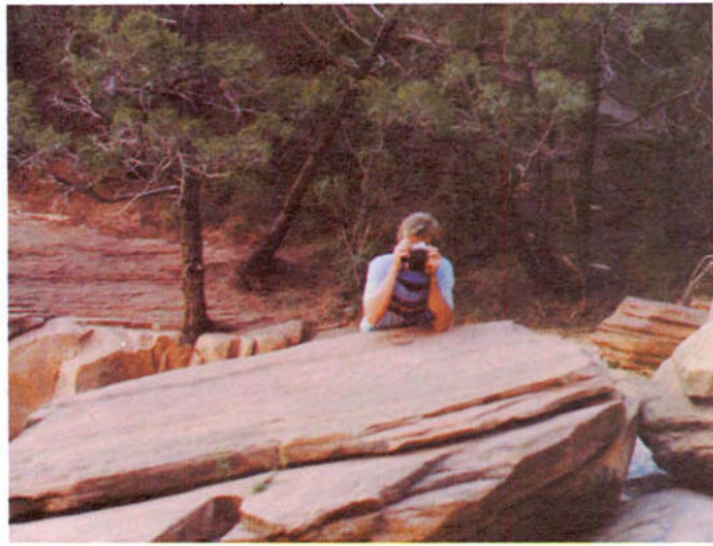

Oh Look! There's Someone's Toe . . .

Many new and returning students gathered at the Sandblast, a traditional activity of Welcome Week held in the sand and the sun of Snow Canyon. After an evening of games, movies and laughter, an evening of mingling with loved ones and of making new friends, everyone raced home for the showers hoping the memory would never wash away.

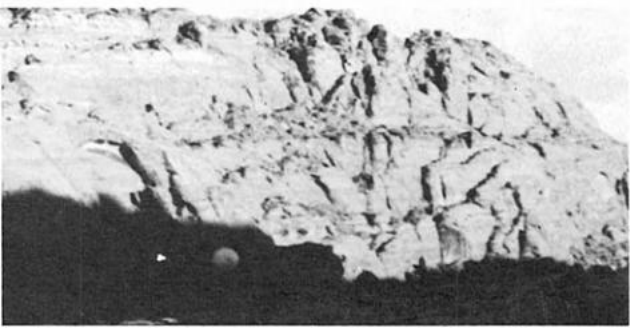

When I rested back in the sand
and let it slide through my toes
I wanted to laugh.
I could hear the laughter of others,
too.
We are all children in the
sand.

Let's See Who Can Stay Dry The Longest?

The day at Zion was a day for volleyball, hiking, throwing President Bruce Garner into Emerald Pools, eating out on Zion Lodge Lawn and checking all the "HOT PANTS" out.

Dixie's Rebels

Despite the slow, unpredictable start of the 1978-79 Football Team, strength was shown in many areas. The season may not have dazzled all supporters, their play was not always of highest quality, and a few games that could have been reversed ended up as a loss, but the team, predominantly freshmen, showed a unity that hasn't been a part of the DIXIE TEAM in a long time.

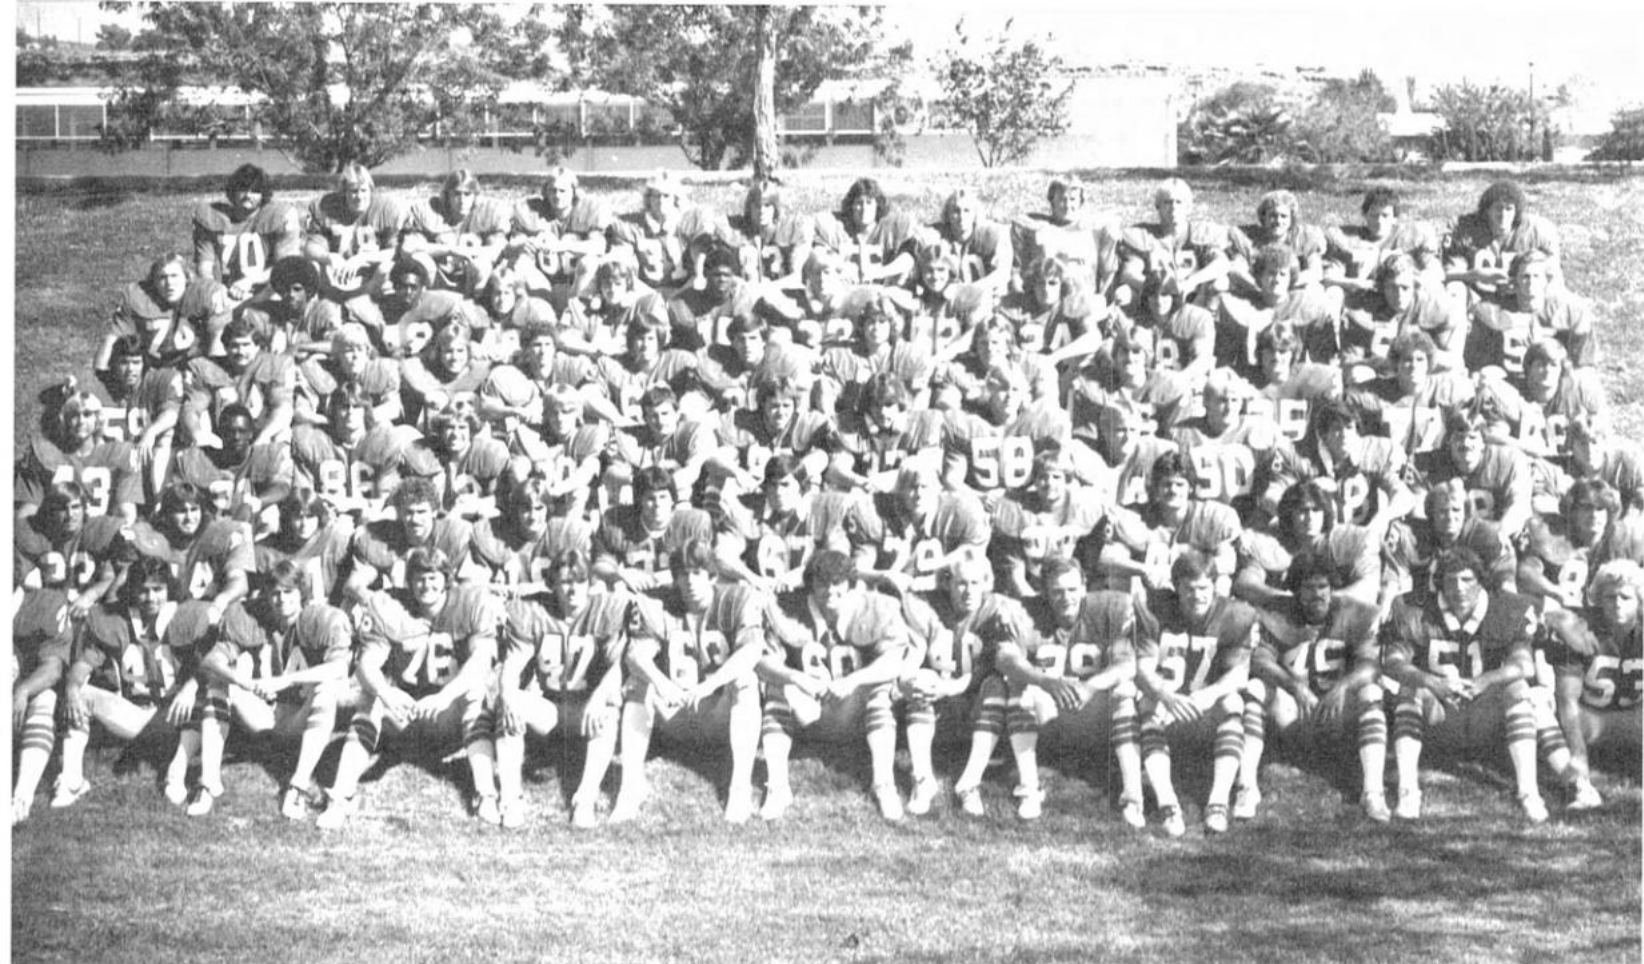

Although the team lost several games early in the season due to inexperience, it came away with a .500 year. Highlighting the year were an after game confrontation with Ricks College and a muddy Homecoming victory in the last minutes over Snow College in a 14-13 win. This win over Snow was the first in 5 games and put the team into second place in the conference.

Homecoming was the first major event that started the DIXIE SPIRIT rolling. Students, Alumni, Community, Administrators, Staff were all part of the helping hand that contributed to the spirit of this year's Homecoming.

Homecoming 1978

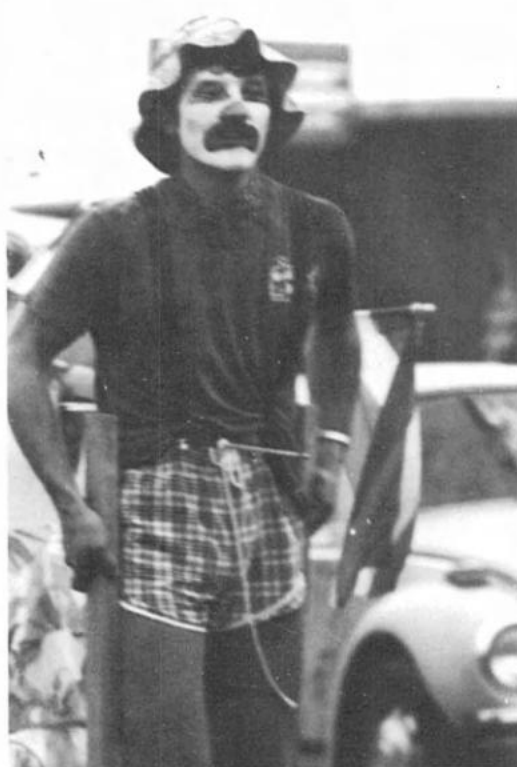

Dixie Defeats Snow: 14-13

The Homecoming Committee, headed by Ron Metcalf; assembled several months ahead to plan a special week of activities to involve present and past students of Dixie. A week filled with academics, activities and fun awaited all. Alumni filled the campus to bring back their old Dixie Memories and exchange old friendships and reminisce about their DIXIE DAYS. We DIXIE students of 1978-79 are the present memory makers who will carry on the traditions of Dixie that still exist.

Sadie Hawkins

You can't get a man with a gun, but have you tried a toothbrush, a dinner, a T-shirt, a puzzle or by blind-folding them? Girls

brainstormed to come up with creative ways to get their guys to escort them to this casual event. Some ended up hitched, and some tried for days to get that lipstick off. Sadie Hawkins followed after Homecoming, so the DIXIE SPIRIT didn't have a chance to die.

Christmas Week

Wrapped up in presents and finals, Christmas Week brought a little Christmas Spirit to the week before exams. A new tradition began on Monday with a tree lighting ceremony. The assembly and dance featured the Royalty and Santa Claus.

Kris Lamb, Intramurals; Maggie Roper, Special Events; JoAnn Leavitt, President; Kristy Broadhead, Secretary; Kristy Parkin, Publicity.

The Dixie Spirit was seen throughout Fall quarter in the Cheerleaders' hand puppets and students' smiling faces. Students who got involved rubbed some of their enthusiasm off onto the rest of the studentbody. Nearing the end of the quarter the spirit was still present when Santa Claus visited the campus.

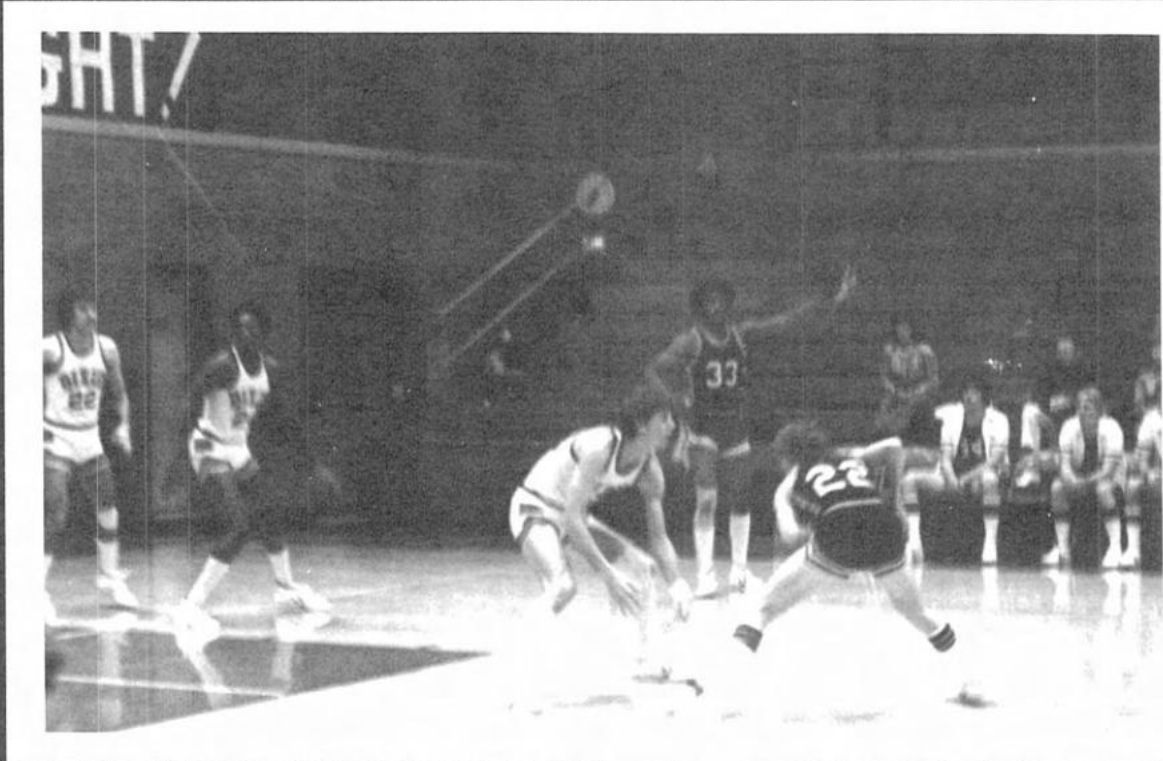

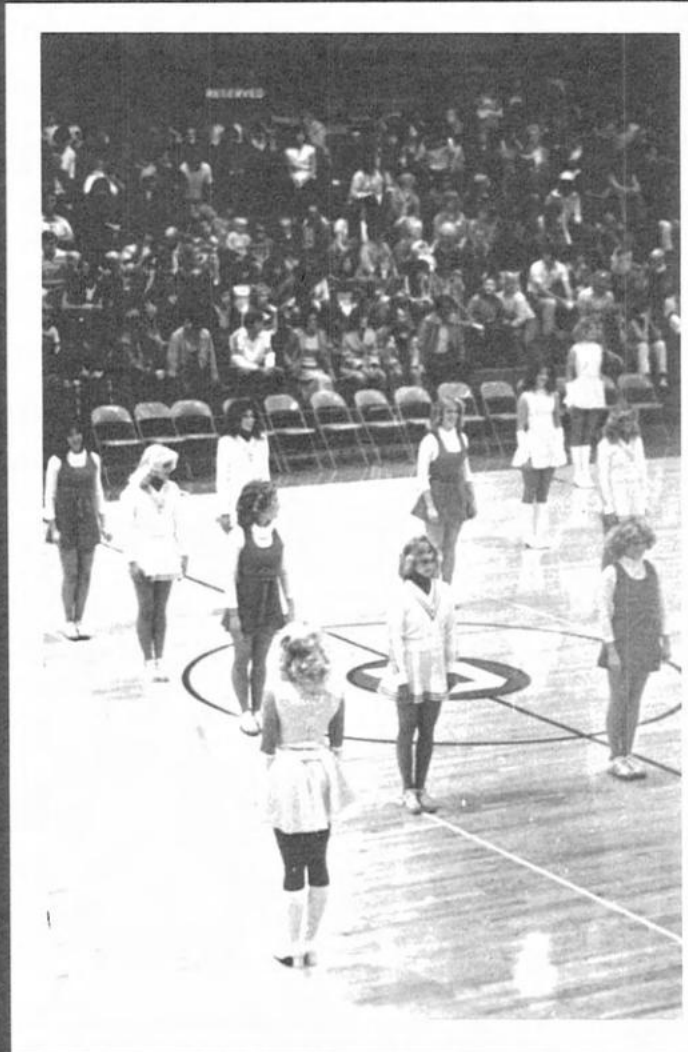

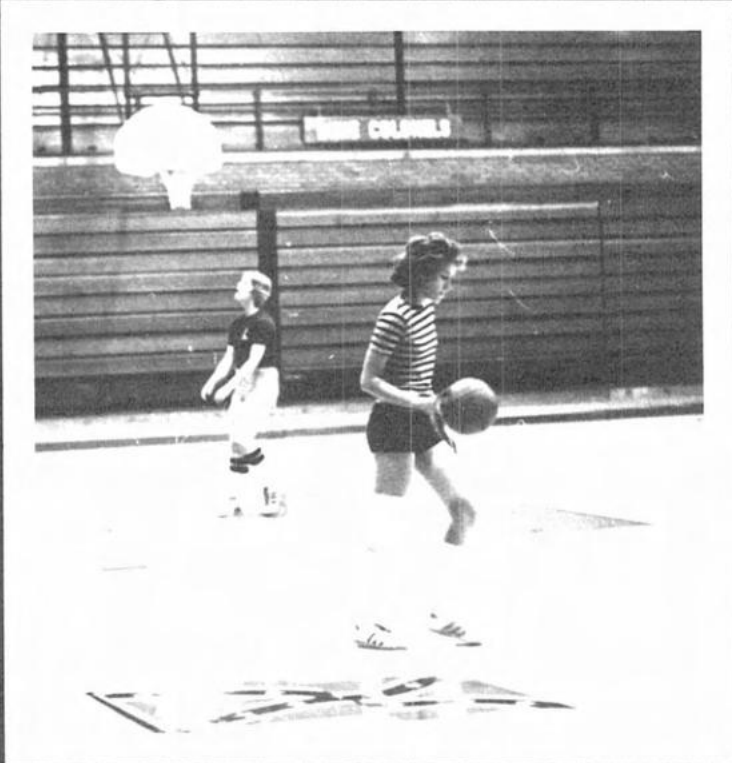

Laughter, embarrassment, serious, enjoyment — all expressions were a vital part of the DIXIE SPIRIT. Participation made the Spirit live.

Rebel Basketball

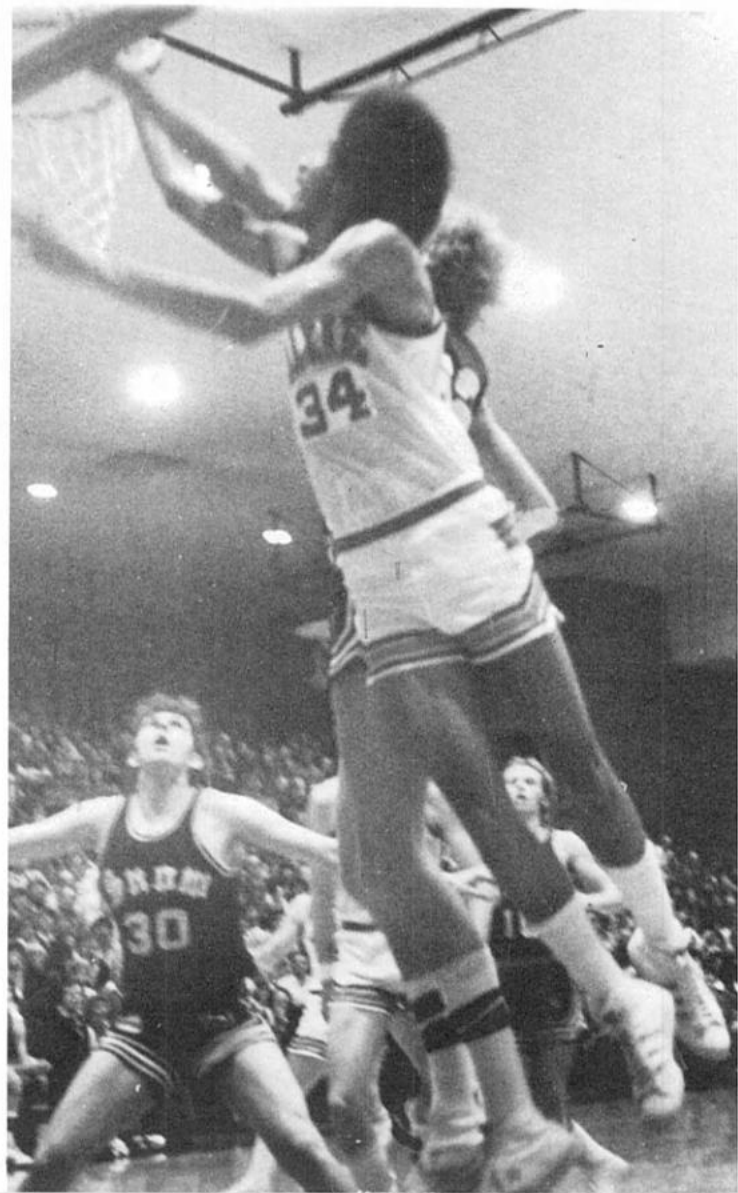

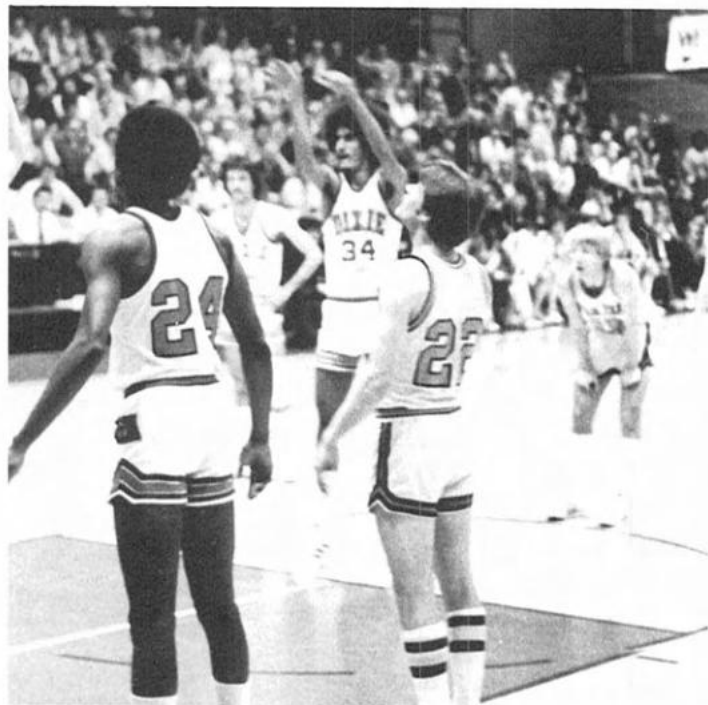

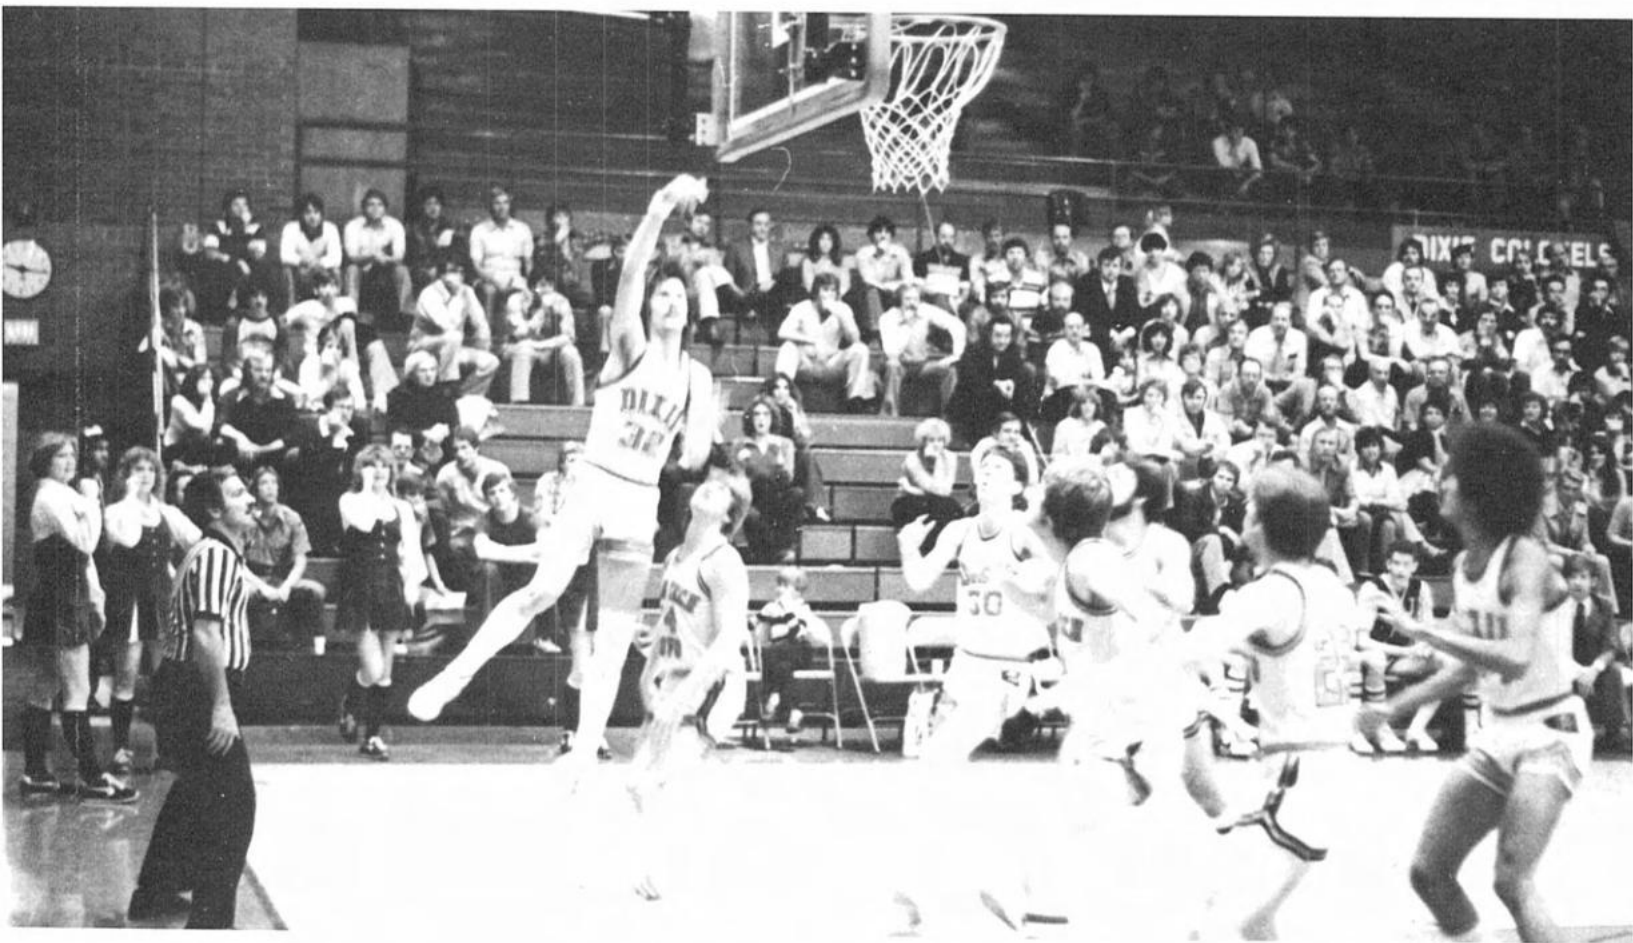

The Rebel Basketball team is the I.C.A.C. CHAMPION. Coach Neil Roberts and Sam Sampson led the Rebels to their first championship since 1973. The Rebels started the season off strong, then lost three games in a row, but the Rebels sprang back and won seven games in a row.

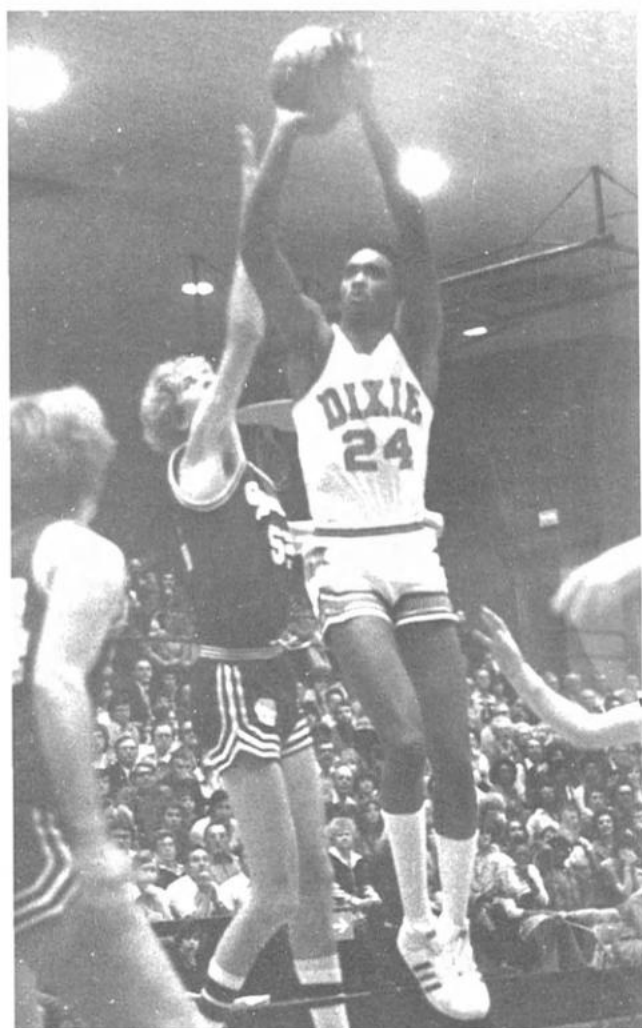

The biggest victory was when the Rebels defeated Snow College. Ricks, Snow, and the Rebels were in a three way tie for first place when we defeated Ricks and Snow; putting us in first place. In the regional play-offs CEU handed Snow another loss, enabling the Rebels to play CEU for the regional championship. The bench was just as strong as the starting five, and came on the floor with all the drive of the starting five. The depth of the team was one of its main assets.

A year of treasures, memories. A look at what was a fun filled year. With each contribution, Editor, Reporters, Photographer, and all, the work was completed for the DIXIE REBELS. Sacrificing weekends, impossible deadlines — layouts, artwork . . . crying at times. A REMARKABLE STAFF, dedicated, talented — deliver this gift as our mark on time.

Freshman Class Officers

Pam Lawson

Steve Copier

Robin Ramirez

Women's Rights affected the Freshman Class when Pam Lawson stepped in as President. Along with Steve Copier and Robin the Freshmen stayed on top of things. Winter Quarter Steve Copier was named President after Pam

had to vacate the office. Freshman Week and Freshman Assembly were a few activities that kept the SPIRIT ALIVE for the 1978-1979 school year.

Sophomore Class Officers

Keeping the Sophomore Students involved in school activities proved to be a challenge for the Sophomore class officers. The challenge was met with high success. Sophomore Week, Homecoming and D Week activities, carnival, graduation, and intramurals were a few programs that kept the students involved.

ICC

Improving the direction, actions and student involvement in clubs was just a part of the weekly meetings held every Tuesday. Kevin Bingham, ICC Chariman, made sure all the club presidents knew what was happening. Striving to keep the DIXIE SPIRIT in every facet of the campus life was a part of the weekly meetings.

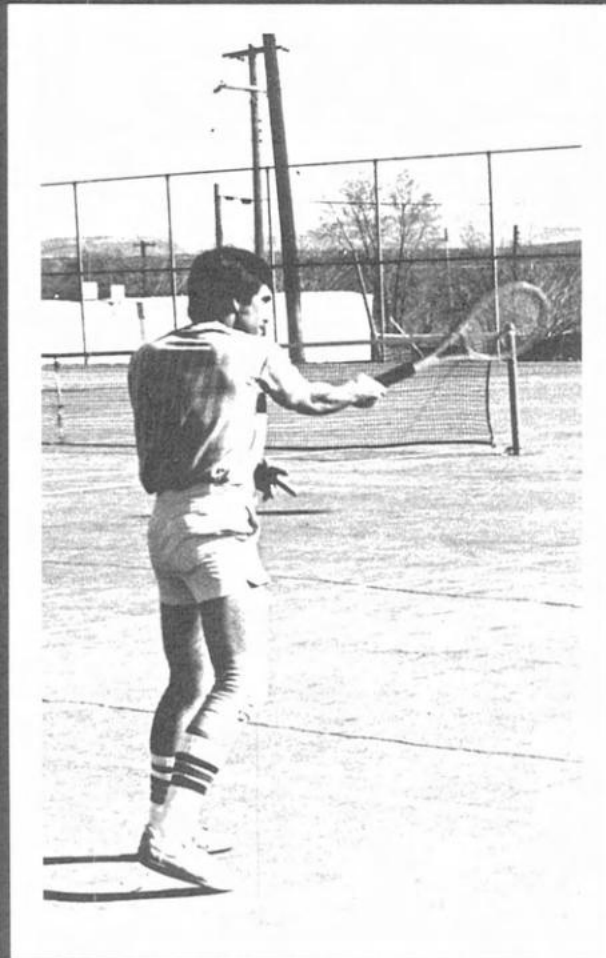

Students showed their talents in various forms from "Diaper Derbys" to life saving techniques and frowns to smiles. We hope you recall the good times you had here at Dixie College. You were part of the DIXIE SPIRIT —and you kept it alive.

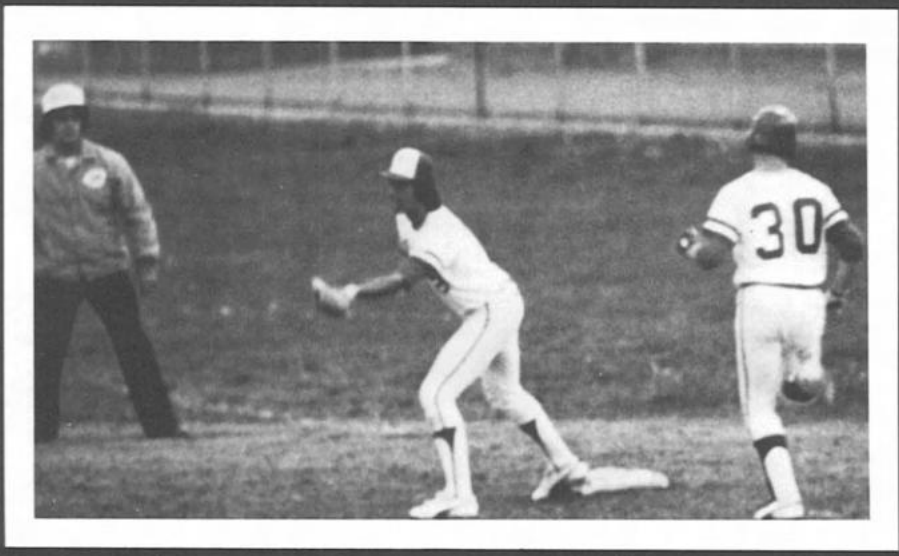

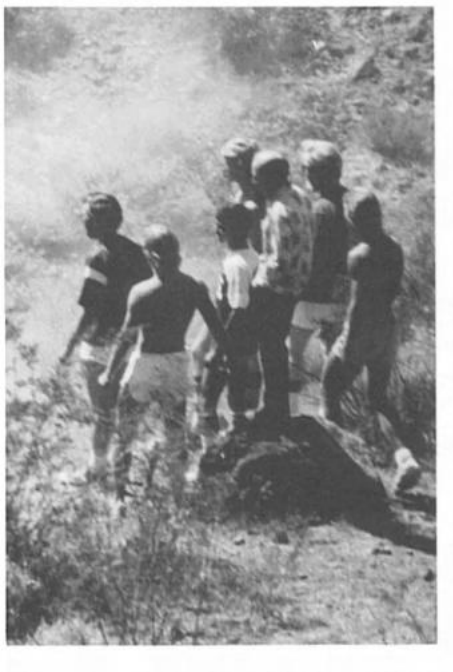

STUDENT LIFE was seen in many places — student romping in the snow, visiting Frankenstein, showing off, or just practicing around the piano. The CONFEDERATE staff tried to capture some highlights on campus and present them to you.

To All These People

Words cannot express how grateful I am for all the help you have put forth in assembling this year-book. Though we exchanged words, forgot appointments, missed deadlines, and worried alot; we did pull together in the end when we needed to. Forget about the hard times, but remember the good. Be as proud of this book as I am. The DIXIE SPIRIT lives on. Thank You for your helping hand.
